What's Happening at JCCC

This summer JCCC hosted 61 students total at our Chinese Immersion Summer Camps! There were four camp sessions total, spanning from June 21 to July 28. We had campers come from as close as Denver to as far as Wyoming. Camp activities included Chinese-style morning exercises, Chinese cooking, and integrated Mandarin learning through words phrases and songs. Each 5-day camp went on a field trip to the Pacific Ocean Marketplace, followed by a dim-sum lunch at Kings Land Chinese Seafood Restaurant. Each camp was concluded by a final performance for the parents, where campers showcased what they had learned at camp. The final performances including dancing to the famous Chinese pop song "Little Apple," reciting Chinese poems, performing a Chinese fan dance, and more. We had so much fun with all of our campers, and hope to see them all and many more next year!

Field Trips

This summer JCCC hosted four field trips. Each group learned Chinese cooking, dance, paper cutting, and calligraphy. If your school or community organization is interested in booking a field trip at JCCC, contact us at school3@chinesechildren.org.
